

SASA Membership Application Form

All those who are regular trainees with S.A.S.A are automatically associate members of the club. Associate membership carries no benefits and has no rights, according to the constitution, and so full membership is recommended to anyone skiing on a regular basis. This costs £7.50 a year + uniform and provides full [Snowsport England](#) Insurance. Membership is subject to approval by the club executive. (It is compulsory that Hemel trainees are full members of the club)

Membership Application (Adult / Child Membership 2010 - £7.50)

Name *	
Address *
