

Hi all,

We are pleased to be able to finally confirm the next batch of training dates at Hemel ski centre (see table below). At this time, the price remains unchanged but you will see that the timing of sessions over the winter has changed to take account of how busy the slope will be during normal hours. Although an early start on the Autumn Saturdays, the snow will be in tip top condition as we will be the first to use it, and the centre will be quiet allowing us to keep up the standard of the training. You will see that over the peak 3 winter months, there will be no sessions as the quality of what we could do would not be worth the efforts of our athletes, not to mention that many of you (coaches and athletes) will be away in the Alps at this time

To book any session, send your cheque in the usual way to;

Meadowside, Poles Lane, Otterbourne, Hants, SO21 2DZ. Booking will as always be first come
